We must give daana without any expectations in return and with utmost sincerity, love and affection.

We must give daana to the deserving at a sanctified and a holy place and under auspicious time.

One should feel that it is his duty to give daana and he is not compelled by any external agencies.

Such daana is called as satwika daana.

I commit that your contribution is used for the cause intended

VAISHNAVI

"Surabhirvaishnavi Mata | SuralokeMahiyase ||
GrasaMushrtirmaya Dattaa | SurabhePratigruhyatam ||"

The Vaishnavi Program was founded by Sri Sri Vidyaprasanna Theertha Swamiji for Protecting and Safeguarding the cows. Cows are being looked upon as symbol of mother and it is one's duty to do "Samrakshana" protection of cow. Our traditions and scriptures are soaked with references of special status to cows.

Sri Subrahmanya Matha runs Go-Shalas in Subrahmanya and Kempamma Hosakote near Hassan district. Under the guidance & financial support of Sri Swamiji, we have more than 100 cows, be it barren or old, young or milking, calves or infants, all are taken care with fodder, shelter and medical facilities and most importantly protecting them from clutches of slaughter houses and NOT dairy products or commercial use. The wide expanse of the Sri Matha farm lands serves as a grazing field apart from the hygienic and disciplined food served at the Go-Shala. Whatever little milk produced is being used in the daily offerings to the god, the cow dung and manure are being used for the Sri Matha farm.

The greater part of charity is understanding the nobility behind the cause. The typical life expectancy of an Indian Cow is around 18 years and Sri Matha is enormously strained to financially support the above task without the active support and participation from high patrons

You could contribute to this holy cause by

1. Doing the Go-Daana Rs 20,000/-
2. Support annual maintenance of a single cow Rs 12,000/-
3. Support monthly maintenance of a single cow Rs 1,500/-
4. Support life term maintenance of a single cow Rs 1,75,000/-

You can be part of this noble cause by actively spreading this message across to your friends, relatives and neighbours. Please do visit our Goshalas and extend your arm of support in development and maintenance.

High Appeal for Financial Assistance

Dear Devotees,
Sri Samputa Narasimha Swamy Sri Subrahmanya Matha, Head Quartered at Kukke Subrahmanya, is one of the oldest religious mathas established by Sri Madhwacharya more than 800 years ago. It has unbroken lineage of peetadhipathis starting from Sri Vishnu Theertha the younger brother (in purvashrama) of Sri Madhwacharya himself and Sri Aniruddha Theertharu.

The Matha has a long history of striving for betterment of the Society and uphold the traditions of the Hindu Religion and "Sanatana" Dharma. To pursue his ascetic goal, Swamiji is striving for betterment of the society in terms of Religious, Spiritual, Educational and Social Welfare ("Dharmika", "Adhyathmika", "Shaikshanika", "Saamaajika" seva) of the downtrodden and under privileged, and is dedicated to Charity and Social Service.

As you are aware, though the Sri Matha has been helping and serving hundreds of devotees visiting the Sri Kshetra Kukke Subrahmanya, all the income from the Kukke Subrahmanya Temple goes to the Muzrai Department of Government of Karnataka. Due to this, the Sri Matha undergoes enormous financial stress. But with the blessings of Lord Lakshmi Narasimha and Kshetradhipathi Sri Subrahmanya and with the support and patronage of his disciples and high devotees, Swamiji has been able to undertake and accomplish many a projects that benefit the people and society in general.

Here is an opportunity for you to be more generous and donate for the cause of Abhyudaya, Vaishnavi and other Sri Matha run schemes and receive the blessings of Lord Lakshmi Narasimha and Sri Subrahmanya. We earnestly request devotees to wholeheartedly support us in this sacred endeavor. We also request you, dear devotees, to spread the word - recommend your friends and kin and help them partake of the divine blessings!
